SUMMARY A-1

County Budget and County Tax Levy - What Do They Mean?

COUNTY BUDGET - WHAT IS IT?

County Budget has been defined as an "orderly financial plan for the operation of (County) Government". Such document, as mandated by State laws, shall contain certain financial statements. It shall also set forth appropriations necessary for the conduct of County business and for other services, either demanded by the public, ordered by State and Federal laws or instituted by the County's legislative body.

COUNTY TAX LEVY - WHAT IS IT?

The county tax levy is the total amount of money needed to be raised by a County-wide property tax, which is not otherwise available from attributable revenues, State and Federal aid or the use of fund balances. Such levy allows for the continuance of governmental activities, as defined in the County Budget.

COUNTY TAX BILL - HOW IS IT APPORTIONED?

The share of such levy for each municipal jurisdiction within the county's borders; namely, towns (inclusive of villages) and cities, is apportioned on the basis of equalized valuation. In addition to the County's operating budget, various other items must be apportioned or charged back; such as, town and city chargebacks (including, but not limited to, real property tax refunds or certiorari actions), etc.

COUNTY APPORTIONMENT - METHODS OF COMPONENTS?

Assessed Valuations: Assessed value is the value placed on each property within jurisdictional boundaries by locally elected or appointed assessors and used in computing town, village and city taxes. During 1990, a County-wide reassessment project was undertaken. However, when crossing municipal boundaries to apportion the County's real property tax levy, different true market values can exist. Thus, it becomes essential to introduce ---

Equalization Rates: Equalization rates are established annually by the NYS Board of Real Property Services subsequent to on-site field appraisals and surveys of local properties. These rates are used to convert assessed values to --

Full Valuations: Full valuations, unlike assessed values, can be compared from one jurisdiction to another. The net results are then used as a measurement tool by which the county tax levy is proportionately distributed. The full valuation is then reduced to--

Equalized Valuations: The County tax levy appearing in the County Budget is apportioned by using the equalized value, which produces --

Average County Tax Rate: The application of this rate develops what percentage of the County tax levy each municipality pays. This rate should only be used as a comparison when analyzing the increased or decreased cost of the County's operating budget from year to year. The individual municipal assessed valuations will determine the applicable tax rates as they appear on the taxpayer's bill.

DEPARTMENTAL DESCRIPTION: The office of the Board of Supervisors is currently staffed with three full-time positions: Administrative Officer/Clerk of the Board and two Legislative Aides. Deputy Clerk duties are assigned to a senior member of the staff. The office is responsible for coordinating and administering all phases of public policy, as determined by the Fulton County Board of Supervisors.

2014 GOALS AND OBJECTIVES: Providing communications to community leaders regarding Board of Supervisors' decisions and policy will be important. In 2011, the NYS Legislature enacted one of the most onerous mandates in the history of government - a "property tax cap". This new mandate will severely restrict county government's capability to provide any services other than those mandated by State edict. In this environment, the executive staff of the Board of Supervisors will work diligently to advise the Board of Supervisors and to monitor its policies. Emphasis will be placed on encouraging policies that promote economic growth and provide stable, efficient government at the county level. County government will be very involved in promoting inter-municipal cooperation between local governments to bring costs down for area taxpayers.

DISTRICT ATTORNEY

Function: **JUDICIAL** *Fund:* **GENERAL** *Account No:* **A-045-1165**

DEPARTMENTAL DESCRIPTION: The Fulton County District Attorney is the chief law enforcement officer of the County. The primary objective of the Office is the administration of justice in all cases. The District Attorney's Office investigates and prosecutes criminal offenses, and ensures the public's safety through community prosecution. To investigate and prosecute crimes means overseeing cases from simple traffic infractions to serious felony offenses. Our criminal caseload encompasses 12 justice courts, two city courts and all county-level cases. This includes court appearances, grand jury presentment, motion practice, trial litigation and appellate advocacy. As a community prosecution-based office, we partner with a variety of government agencies and community-based groups such as the Mental Health Association (CAC), Fulton County Drug Court, Alternatives to Incarceration, Family Counseling Center, HFM Prevention Council and ASAPP's Promise. We use a variety of methods to address crime such as the participation in multi-jurisdictional teams and groups including the Domestic Violence Task Force, the Fulton County Violent Felony and Drug Task Force and the County's Child Abuse Investigation Team. We also invite community involvement in problem solving. We are fortunate to receive granted funding in certain areas to enhance the prosecution of 1) Repeat and Violent Offenders; 2) Drug trafficking; 3) Domestic Violence and Adult Sexual Assault; 4) Welfare Fraud; 5) DWI offenses and 6) Addiction Crimes. The DA's Office assists victims through the help of two full-time advocates who encourage victims' input and helping victims navigate the criminal process.

2014 GOALS AND OBJECTIVES: The primary goals of this Office are to ensure the safety and security of the community and promote impartial, fair and swift justice. 2014 budgetary objectives aim to meet these goals by continuing to provide necessary services to meet our obligation to seek justice and at the same time address increases in crime and decreases in funding. Paramount in accomplishing these goals is retention of experienced staff members to carry their load in matters of criminal justice. We continue to pursue grant opportunities to supplement County funding for two full time crime victim assistants; salary reimbursement for welfare fraud prosecution and Violence Against Women; and stipends through the State Aid to Prosecution program. We will continue to look to consolidate resources to combat violent and drug crimes. Finally, in furtherance of our goals, this Office will maximize the utilization of seized and forfeited crime proceeds to assist this Office and law enforcement in protecting and serving our community.

COUNTY TREASURER

Function: **FINANCIAL** *Fund:* **GENERAL** *Account No:* **A-085-1325, 145-1362-1364**

DEPARTMENTAL DESCRIPTION: The office of the Chief Fiscal Officer of the County is responsible for legally receiving all revenues due the County and disbursing the funds as set forth in the budget approved earlier by the Board of Supervisors. The office is responsible for the collection of all delinquent school, village, town and county taxes and the handling thereof, according to Real Property Tax Law. The Treasurer's office is responsible with working directly with local town tax collectors to insure professional and proper tax enforcement. The office is also responsible for the collection and enforcement of all taxes in regard to the City of Gloversville parcels. This office is responsible for maintaining the records for the County's Fixed Asset Inventory, as well as maintaining the official records for each County Department. As Chief Fiscal Officer for the County, the Treasurer also serves as Public Administrator at the discretion of the Surrogate Court Judges. The Chief Fiscal Officer is responsible for the preparation and delivery of the following reports to various state and federal agencies: Annual Update Document, Audited Financial Statements & Federal Single Audit, Cost Allocation Plan, Report of the Chief Fiscal Officer (Public Administrator), Report of Abandoned Properties, Governmental Accounting Standards Boards Statement # 34, Governmental Accounting Standards Boards Statement # 45, Report of Treasurer Annual Court & Trust Report, and the annual Securities and Exchange Commission Disclosure Statement.

2014 GOALS AND OBJECTIVES: The local economy seems to be in a slightly upward motion which may be following the national trend. The local unemployment rate still remains high compared to the Federal and State unemployment rates. The housing market has shown signs of improvement, with improved sales and increased housing values. We have seen signs of growth in the business sector, CG Roxane LLC have recently completed a water bottling facility in the Town of Johnstown which can employ up to 50 people. Fage', a local yogurt maker has started construction on their manufacturing plant in the Johnstown Industrial Park, which will also add numerous jobs to the area. Wal-Mart is in the final stages of construction on their new Super Center which will create additional jobs and additional sales tax revenues. The 2% New York State Property Tax Cap will continue to be an issue in the budget process and for years to come. The 2% cap will keep tax increases low but at what cost to the taxpayers. Additional State mandates continue to challenge our local governing bodies to balance our budgets and continue to provide the service our communities rely on. To combat the shortfalls of the revenue stream, the Treasurer's office has implemented several new tax delinquent guidelines which have improved revenues; (over 1.5 million in the past three years) reduced delinquency, and saved taxpayers money. As the Chief Financial Officer for the county I feel we need to continue our conservative spending approach while maintaining our services to the county residents. As a debt free county this exhibits the conservative nature of the county in regards to financing capital expenditures. Currently the county is considering an updated financial software program which will integrate with all the departments in the county along with streamlining processes, saving time and money. This new program contains an updated tax collection program which will allow for improved and more efficient collection and enforcement for both current year and delinquent years taxes for the entire county and the City of Gloversville parcels. The Treasurer's office will continue to look for ways to streamline processes, improve revenues, and ultimately save taxpayer's money.

REAL PROPERTY TAX SERVICE AGENCY

Function: FINANCIAL *Fund:* GENERAL *Account No:* A-125-1355

DEPARTMENTAL DESCRIPTION: The Fulton County Real Property Tax Service Agency responsibilities are authorized in Section 1530 of the Real Property Tax Law. Our department's key responsibilities include: Maintaining tax maps for all 12 municipalities; Processing Real Property Sales Transfer Reports (RP-5217); Recording and verifying the chain of title to real property; Preparing and printing Assessment Roll and Tax Rolls; Assisting in the printing of Tax Bills; Completing and filing reports to the State Office of Real Property Services; Processing Correction of Errors applications; and Assisting the public and local governments. Our department also acts as a liaison between the Municipal Assessors and the NYS Office of Real Property Services.

2014 GOALS AND OBJECTIVES: The Real Property Tax Service Agency as an ongoing task continues to prepare, and make available, information for the public. With the conversion of our Parcel History web application to our primary information source, we anticipate finishing the data entry from both the paper card system as well as the old database in 2014. With the merging of the Office of Real Property Tax Services with the NYS Department of Taxation and Finance resources from the State have diminished. Our office therefore must build local skills, knowledge and abilities to adequately serve our local municipalities and the taxpayers of Fulton County.

In conclusion, as primary goal, we make every effort to increase the public's understanding of one of the most complicated tax systems in the country and foster professionalism in the administration of the real property tax.

PRINTING/MAILROOM/CENT. STOREROOM

Function: SHARED SERVICES *Fund:* GENERAL *Account No:* A-255-1660/1670/1671

DEPARTMENTAL DESCRIPTION: The Printing Department provides high-speed Xerox copying, offset printing services to county departments, subsidized agencies, town and city municipalities, and Fulton Montgomery Community College. The Department also has the capability to provide desktop publishing, typesetting, and laminating, plastic or thermal binding, hole drilling, folding and stapling services.

2014 GOALS AND OBJECTIVES: Our goal is to provide cost-effective high speed duplicating and offset printing for the county departments and agencies. We will provide next day service on copying requests. Offset printing requests will continue to be scheduled as soon as possible. We plan to add the ability to create vinyl signage and banners as well as large format color printing as a means to increase the capabilities of the print shop this year. We are able to hold costs down on paper, NCR, and other supplies through the competitive bidding process. This enables us to price jobs at the lowest possible cost on all printing requests. In 2014 we are also planning an initiative to make outside agencies more aware of our offerings to increase the volume of work passing through the print shop.

EDUC. OF HANDICAPPED CHILDREN

Function: **EDUCATION** *Fund:* **GENERAL** *Account No:* **A-295-2960**

DEPARTMENTAL DESCRIPTION: Public Health Preschool Education Program is a mandated program required by Part 4410 of Education Law. This program pays for therapy and educational services provided by private agencies & independent contractors to children ages 3-5 years with developmental delays or handicapping conditions. Evaluations and services are delivered according to the child's Individual Education Plan (IEP) as ordered by the school district CPSE chairperson or Superintendent. FCPH bills Medicaid for expenditures and claims the balance to NYSED for state aid at 59% for the services, excluding transportation which is reimbursed at a capped rate per child per day for children receiving services in a center based program. Three Medical Social Work Assistants and 1 account clerk are assigned to the program to assure that the children receive a free and appropriate public education that maximizes reimbursement, is cost-effective and meets Department of Education regulations.

2014 GOALS AND OBJECTIVES: To provide needed and mandated services for children with developmental delays or handicapping conditions in the least restrictive natural environment. Fulton County Public Health will continue to advocate with local stakeholders and with NYSAC to assure that preschool services are delivered in a manner that enables each child to meet their maximum potential and is cost effective. All but our most intensive need children would be best served in the home district, and direct provision of services would facilitate fiscal and programmatic oversight and potentially reduce the cost of services.

PROBATION

Function: **PUBLIC SAFETY** *Fund:* **GENERAL** *Account No:* **A-325-3140**

DEPARTMENTAL DESCRIPTION: The Probation Department is truly the hub of the criminal justice system in this county. Members of the department work closely with the District Attorney's Office, all courts in the county including family court, police departments, defense attorneys, the public defender's office, sheriff's deputies, corrections officers, state police, BCI, FBI and ICE officials in the performance of their duties.

The Probation Department continues to prepare over 300 investigations for criminal courts per year and also completes custody and adoption investigations for family courts. These investigations are used by the courts to make appropriate sentence determinations for convicted criminals and appropriate placements for juveniles in family court.

The department supervises over 350 individuals placed on probation by the courts. Additionally, this department is the monitoring/reporting agency for all DWI offenders sentenced to a conditional discharge which require Ignition Interlock devices to operate their vehicles. Approximately 60 offenders are monitored for compliance, and non-compliance is immediately reported to the sentencing court. A part of supervision, officers monitor compliance with conditions, testing offenders for drugs and alcohol and complete collateral contacts with agencies such as social services, mental health providers, alcohol and drug counselors, sex offender counselors and victims of crimes. The department also collects restitution for the courts in Fulton County and last year approximately $95,000 was returned to crime victims in Fulton County.

Probation also is responsible for the Juvenile Delinquent Diversion Program in Fulton County. This department sifts juvenile delinquent cases and diverts as many as possible to avoid unnecessary and expensive court contact while maintaining the safety of the community In an average year, approximately 42 cases are diverted and monitored.

All duties are state mandated for which Fulton County receives approximately 12% reimbursement by the State of New York.

2014 GOALS AND OBJECTIVES: The goal of the Fulton County Probation Department continues to be to affect positive change in adult and juvenile offender's behavior. Enhanced public safety through the use of evidence based probation practices to reduce recidivism through community based sanctions in accordance by State rules and regulations is the process used by this office to achieve this change. Probation is the cost effective alternative to incarceration and closely monitoring offenders continues to insure public safety and reduced recidivism by offenders.

DEPARTMENTAL DESCRIPTION: Mandated by the New York State Correctional Law, the Corrections Division of the Sheriff's Office maintains and operates a 169 bed Correctional Facility.

2014 GOALS AND OBJECTIVES: Facility staff continually strives to make this one of the top facilities in the state. The goal is to maintain a safe and secure facility for the staff, inmates and community in which they are sworn to serve. The staff is continually trying to do more with less and still maintain the high standards of running a Correctional Facility. The facility continues to search for additional sources of revenue and accepts as many housed inmates as possible. For 2014, we will continue to bring in revenue from inmates that are boarded in from surrounding county jails.

COMMUNITY RESTITUTION (YOUTH) RELEASE/JDPINS

Function: **PUBLIC SAFETY** *Fund:* **GENERAL** *Account No:* **A--345-3155**

DEPARTMENTAL DESCRIPTION: The Community Service Restitution Program addresses the need in Fulton County for an alternative sentence to a fine being imposed or incarceration of a defendant. This program offers many nonprofit and public work sites with workers who can complete necessary jobs that might otherwise not be performed. Youths under the age of 21 comprise a majority of our court assigned clients. Clients gain valuable work experience and learn responsibility for their actions. This program allows individuals the opportunity to remain in school or employed, while they work at their community service. The courts assigned 283 individuals to perform community service and the Judges/Justices ordered 8,953 hours.

2014 GOALS AND OBJECTIVES: The goal of this program is to supply all of the courts of Fulton County with an alternative sentencing program, to attempt to correct the behavior of juvenile offenders by inducing in them a sense of civic responsibility, and to offer non-profit work sites a volunteer workforce. Staff will continue to expand services in the rural areas and to attend town courts on a regular basis. We helped with many special projects including Red Cross Blood Drive, spring litter clean up, and the Boys & Girls Club summer program.

ALTER. TO INCARCERATION/PRE-TRIAL

Function: **PUBLIC SAFETY** *Fund:* **GENERAL** *Account No:* **A--345-3157**

DEPARTMENTAL DESCRIPTION: ATI - provides the courts of Fulton County with a viable alternative to costly incarceration, in a manner consistent with public safety. Community service reduces the reliance on incarceration as a sentence sanction, thereby reducing inappropriate confinement and jail overcrowding. Further, the program enables selected offenders to make reparation for their crimes through work at public and non-profit work sites throughout the County. The population served is low-level, non-violent offenders, thus freeing up valuable jail space for the more serious offenders. Last year, there were 283 clients sentenced to perform community service with 8,953 hours assigned. At $7.25 per hour, these clients provided the non-profit and public work sites with $64,909.00 worth of "volunteer" labor. Also, had these defendants been incarcerated for a minimum of 15 days in jail, it would have cost the taxpayers of Fulton County $401,110.00. PTR-Reduces the incidence of unnecessary incarceration in the County by objectively assessing a defendant's qualifications for release on his/her recognizance pending disposition of the criminal charges lodged. The program also is an important component for the housing of non-county inmates at the jail. Provides to all persons unable to post bail, the opportunity to be interviewed by the program officer to determine their eligibility for release by the least restrictive method necessary. Staff monitors clients' progress, participation, and compliance to court mandates such as counseling, curfews, employment, and school. JDPINS- is an accountability-based program for juvenile offenders. The program will provide adjudicated and court diversion youth, ages 12-15 (including PINS up to 18 as of 7/1/02), with work sites throughout the county to perform their sanctioned hours of community service.

2014 GOALS AND OBJECTIVES: ATI - Goals for this program as set down by NYS DPCA are as follows: 1) Screen 100 offenders during the year and accept and place a minimum of 57 jail-bound offenders; 2) Develop and maintain a minimum of 25 work sites throughout the county; 3) Receive referrals from at least 10 courts; 4) Achieve at least 80% successful completions 5) Monitor all clients through regular worksite contacts and report back to the court as to their progress. PTR - Staff will provide services to all detainees by objectively interviewing them within 24 hours and obtaining the release of eligible candidates within 48 hours of commitment. Staff will then refer clients to appropriate agencies, monitor court compliance, and report back to the courts their success or lack of success. The program will continue to be a viable, reputable alternative to costly incarceration of pretrial detainees. Last year, 244 people were interviewed with 80 defendants released to the program. JDPINS-Director will attend Family Court on a regular basis and receive a minimum of 20 referrals.

DEPARTMENTAL DESCRIPTION: The Fulton County Stop-DWI Department is funded by fines according to NYS legislation. The program is administered through the Fulton County DA's Office under an annual plan subject to approval of the Fulton County Traffic Safety Board, the Fulton County Board of Supervisors, and the NYS Department of Motor Vehicles. The STOP-DWI Department is comprised of six components, all related to eliminating the ill consequences of driving while intoxicated and other Alcohol related offenses. These are enforcement, court-related, probation, rehabilitation, public information/education, and program administration/evaluation. Its' mission is to enhance the safety of residents of Fulton County through a locally developed, non-taxpayer funded program aimed at reducing alcohol related traffic injuries and fatalities in the County of Fulton.

2014 GOALS AND OBJECTIVES: The 2014 budget continues to decrease the line on expenses. The District Attorney's Office in conjunction with the Fulton County Probation Department continues to work together to collect current fines. The payment plan that has been set in place for the last Three years continues to collect fines that otherwise would not be collected for the program. The Fulton County District Attorney's office and the Fulton County Stop DWI department are committed to keeping our County Highways a safe place and to enforce the prosecution of drunk drivers to the fullest extent of the law.

DEPARTMENTAL DESCRIPTION: The Fulton County Public Health Department under the direction of the Fulton County Board of Supervisors and the New York State Department of Health seeks to promote wellness, to protect from disease, to prevent injury or disability, to prepare for emerging illness or disease and to assist Fulton County residents in attaining and maintaining optimal health. Each person and their family who presents for service at Public Health is educated in accessing and determining their care and is ultimately responsible for the decisions regarding their health. All services provided by Fulton County Public Health are in response to needs identified in the Community Health Assessment and as determined by the Municipal Public Health Services Plan, contingent upon the Department's human and financial resources and local, state, and federal rules, regulations, and laws. Care is provided in a comprehensive, coordinated, and collaborative manner with other community agencies and health care providers.

Public Health provides dental education to school children with follow-up referrals, primary & preventive health care, lead screening and follow-up, maternal child health guidance and the Early Intervention Program for children ages birth to 2. Other Public Health programs include injury prevention & control, sexually transmitted disease diagnosis and treatment, communicable disease prevention and follow-up, immunizations, chronic disease prevention, HIV testing and counseling, health education, information & instruction, family guidance planning, nutrition services, rabies prevention and Emergency Preparedness. FCPH assists the BOS in the performance of their legal role as the Board of Health for Fulton County by developing a Fulton County specific Community Health Assessment and a Community Health Improvement Plan, and by delivering directly, or by contract, required services to meet the identified unmet health needs of Fulton County residents. Our charge is to prevent disease & disability, promote wellness and protect the public from biological, chemical and radiological incidents and events. The programs are carried out under the direction of the Public Health Director and Supervising Public Health Nurse by 5 Public Health Nurses, a Health Educator and 3 Medical Social Work Assistants (also assigned to Preschool Ed). Reimbursement and budgeting is performed under the direction of the Fiscal Manager by a Senior Account Clerk and 3 Account Clerks. FCPH also contracts with a Medical Consultant, Tb clinic Physician, Veterinarians and other professional providers and local hospitals to deliver services required by Article 6 of Public Health Law.

2014 GOALS AND OBJECTIVES: In November 2013 the 2014-2017 Community Health Assessment and Community Health Improvement Plan will be submitted to the Department of Health. Both plans, created in conjunction with our healthcare partner, Nathan Littauer Hospital, will provide the basis for the Public Health services that are delivered to our residents. The primary focus of our services will be based on the 5 Prevention Agenda priority areas, which moves the focus of services away from treatment and towards prevention of disease and are: Prevent Chronic Diseases, Promote a Healthy and Safe Environment, Promote Healthy Women, Infants and Children, Promote Mental Health and Prevent Substance Abuse and Prevent HIV, STIs and Vaccine Preventable Diseases. We are working closely with Nathan Littauer Hospital to coordinate activities aimed at improving the health of our community in these areas. Changes in legislation enacted in the 2012-2013 NYS budget transitioned the fiscal and administrative responsibilities for contracting and billing for Early Intervention program services to New York State as of 4/1/2013. Although partial mandate relief was promised, the process has been fraught with problems, and although the funding for administration of the program has been reduced, the transition has required intensive work on the part of the program staff.

DEPARTMENTAL DESCRIPTION: The Department of Social Services provides financial assistance and supportive services to eligible persons residing in Fulton County while encouraging their independence and self-sufficiency. The department is responsible for a significant part of the "social safety net" which insures that basic human needs will be met. The Department provides and manages a wide range of social welfare programs. Management of these programs is conducted under three Departmental Divisions: Services, Financial Assistance, and Administration. Oversight at the state level is provided by the Office of Temporary and Disability Assistance, the Office of Children and Family Services and the Department of Health. All the programs provided by the department are mandated programs and governed by federal and state laws and regulations.

Specifically, the Department is responsible to:

- Provide aid to eligible recipients through the Family Assistance, Safety Net, Day Care, Employment, Food Stamp, Medicaid and Home Energy Assistance Programs.
- Protect children, adults and families by enforcing the mandates of NYS Social Services Law.
- Establish child support obligations through the Family Court, collect support payments and enforce and modify existing support orders.

2014 GOALS AND OBJECTIVES: The Department of Social Services is committed to protecting those in need and to helping individuals and families achieve and maintain independence and self-sufficiency. In doing this the department has a responsibility to maximize resources and achieve optimal outcomes for the residents of Fulton County. With this in mind, for 2014 the department will strive to maintain caseload sizes and contain expenditures. This will be a difficult realization as the department has struggled to meet the service need over the last several years.

This year and over the next several years, healthcare design, services and costs will occupy a larger stage than ever before. This will translate into changes for Fulton County. As the State progresses in its plans to take over the administration of the Medicaid program, 2014 will be a year of change and transition for departmental staff working in the Medicaid program. The challenge will be to roll with the unprecedented changes, make adjustments in staffing as necessary and still meet the need of those eligible for the service. Balancing the need to make staff adjustments while maintaining a sufficient workforce to get the work done will be trying for the department and the residents the department is here to serve.

Lastly, the Department of Social Services will continue to focus on supporting, assisting and focusing staff and supervision on meeting service need and moving the department's clientele forward to personal responsibility and self-support.

CHAMBER OF COMMERCE/STATE MATCHING PROGRAM

Function: **ECONOMIC OPPOR. & DEVELOP.** *Fund:* **GENERAL** *Account No:* **A-565-6410**

DEPARTMENTAL DESCRIPTION: The Tourism Department is the county's appointed marketing agent, and administrator of the statewide I Love New York Tourism Matching funds program. The office promotes economic development through the attraction of visitors and consumers to Fulton County via advertising/promotion, event organization and public relations. Tourism generates funds for Fulton County through sales tax revenue and affects the growth and survival of businesses through direct and indirect contact with tourists. The tourism department also oversees the staffing and operations of the Gateway to the Adirondacks Vail Mills Visitor Center.

2014 GOALS AND OBJECTIVES: Goals include continuously improving the services provided, assessing and revising advertising purchase decisions to increase awareness of Fulton County and bring in more visitors, continue partnering with fishing tournament organizations and attend and partner with events that will generate revenue for Fulton County businesses; assist local tourism businesses with their advertising and marketing programs; and provide tourists and potential visitors year-round with thorough information representing Fulton County.

The tourism program is made up of three parts - the I Love NY Matching Funds program that funds advertising production and purchases, brochure creation and distribution, and cooperative programming. Matching Funds pays for most efforts to market Fulton County to potential visitors outside the county. The funding is split between Fulton County and NY State. The second part of our funding is provided by the county for projects including the staffing of the Gateway to the Adirondacks Visitor Center, a percentage of the tourism director's salary and other local programs that cannot be paid for through NY State Tourism Matching Funds. The third portion is created by funding raised solely by the Chamber to expand tourism programs, such as the "Bet on Fulton County" $10,000 Tourism Raffle and revenue received from advertising and sponsorship.

DEPARTMENTAL DESCRIPTION: This category is a combination of indebtedness, consisting of bonds, bond anticipation notes and capital notes (excluding any indebtedness for other County funds. Currently, the County has no debts to repay.

2014 GOALS AND OBJECTIVES: The last and final payment regarding the Jail Bond was made in 2012. The County's General Fund is now debt free. The goals and objectives for debt service will always remain the same, to try to keep the amount of debt service to a minimum. As any debt issue, pushing the required re-payment into future years and onto the backs of future taxpayers will need to be weighed very carefully. With the current Tax Levy in place and the State mandates burden on the tax payers, future borrowing will need to be scrutinized very carefully.

Function: **CO. ROAD & ROAD HISTORY** *Fund:* **HIGHWAY FUNDS** *Account No:* **D & DM**

DEPARTMENTAL DESCRIPTION: The Fulton County Highway Department is responsible for maintaining 143 centerline miles of highway, 38 bridges and numerous box culverts, spread out across a 533 square mile area. Articles V and VI of Highway Law compiled by the NYS Legislature define the rules, regulations and duties pertaining to the office of county highway superintendent. In addition to maintaining the County Highway System, the Department is also charged with the responsibility of maintaining a portion of the Rails to Trails System, administering the Recreational Trail System Program, maintenance of the airport facility, mechanical repair/inspection of all county owned vehicles and administration of the county fuel dispensing system. The Department also shares equipment and manpower with all other municipalities in the County.

2014 GOALS AND OBJECTIVES: To continue the high level of service county residents and the traveling public have come to expect from our transportation system. We will attempt to increase the amount of work completed by our current highway workforce and lessen to the extent possible the amount of work we currently contract out. We will also strive to increase the quality of our paved surfaces as well as their overall functionality and appearance. We will set priorities and deliver services to the taxpayer consistent with appropriations set by the Board of Supervisors.

Function: **SOLID WASTE** *Fund:* **SOLID WASTE ENTERPRISE** *Account No:* **EW**

DEPARTMENTAL DESCRIPTION: The Department of Solid Waste (DSW) is an organization responsible for the transportation of refuse, operation of transfer stations, a landfill, Materials Recovery Facility, Household Hazardous Waste program, year-round electronics collection, Latex Paint Exchange, curbside and drop off recycling operations, Demolition Team and environmental compliance, with an administrative wing that manages all department divisions. A methane gas to electric plant run by Landfill Energy Systems, began generating electricity in June of 2010 in conjunction with the methane gas captured from the existing landfill mass. The entire population in Fulton County is served with refuse and recyclables programs. The DSW prepares bi-monthly invoices to customers and collects landfill use tipping fees, which constitutes the majority of the revenue generated to offset annual expenditures. Grant programs are also pursued and administered. The DSW interacts with several County departments; specifically, the County Treasurer's Office for collection of revenue; County Highway for shared use of equipment; Budget Director for account modifications; Purchasing Agent for purchase orders; Planning as needed, Public Health for employee health issues, Social Services for the Workfare program, Information Services for IT services and mailing; Weights and Measures for scale calibration, County Attorney for miscellaneous legal matters, contracts and local laws developed by the DSW; Board of Supervisors office on administrative issues and the Personnel Director for the development and classification of new and existing staff positions and management of personnel.

2014 GOALS AND OBJECTIVES: Investigate alternate additional sources of municipal waste to optimize operational needs. Increased quantities of incoming sludges require more dry waste to balance the ratios of wet to dry waste within the landfill. The percentage of wet to dry waste must be balanced to maintain the waste mass and reduce the amount of soils being used to stabilize the waste, and to ensure favorable conditions for the overall production of gas to feed the gas to electric plant. Pursuit of additional materials via outside waste contracts will also help financially support all system programs. Continue tuning the landfill gas system and drilling of wells within the landfill mass to produce optimal quantities for the gas to electric plant; continued placement of collection system piping; pursuit of carbon credits; research options to utilize waste heat for future development; continue monitoring and upkeep of the capped portion of Cell A in an environmentally sound manner per NYSDEC guidelines.

Continued operation of the state-of-the-art landfill in a cost effective manner; eight transfer stations and transfer/haul of refuse; research into increased efficiencies in collection of curbside recyclables and operation of a Materials Recovery Facility; continued Demolition Team activity for "Operation Green Scene," improvement of operational efficiency of each division of the DSW and cooperative sharing of services with other entities. Also, strive to maintain reserve accounts to plan for future mandated monitoring, closure and post closure care, equipment purchases and tip fee stabilization and continue to pursue grants. Also, this department plans to continue rotational replacement of equipment for best preventive maintenance. Investigate additional recyclable items to increase opportunities for county residents to recycle. The DSW plans to purchase a roll off trailer, new weight scale and materials for gas well work through next year's Capital Plan.
