Chairman Groff recognized Dr. Dustin Swanger, President, FMCC, and invited him to provide a brief overview of the proposed 2018-2019 FMCC Operating Budget.

Dr. Swanger advised that the FMCC Budget for 2018-2019 totals \$18,132,437.00, which is a 1.9 percent decrease from the current year's Budget. He further advised that enrollment has been going down at the College as well as all around the country. The College is asking for a \$50,000.00 increase from each county sponsor. Dr. Swanger stated that the full-time equivalent (FTE) reimbursement rate is \$2,847.00. He further stated that with fewer state dollars, FMCC will use approximately \$250,000.00 in Fund Balance to balance the Budget. Tuition will be increasing by \$150.00 per student. The 2018-2019 cost per year for a student to attend FMCC is \$4,600.00. Dr. Swanger provided a chart of annual tuition rates in New York State to compare FMCC's rate to other SUNY Community Colleges.

Dr. Swanger thanked Chairman Groff for attending the graduation ceremony that was held in Schenectady due to the gym at FMCC being renovated.

Supervisor Greene asked why the enrollment is going down at FMCC. Dr. Swanger responded that when the economy is up, fewer people go to college, and this was true throughout the country.

## MEMORANDUM OF AGREEMENT

This Memorandum of Agreement is entered into by and between the representatives for the County and Sheriff of Fulton (hereinafter "Employer"), and the Fulton County Deputy Sheriff's Police Benevolent Association, (hereinafter "Association"), affiliated with the New York State Union of Police Associations, Inc. (hereinafter "NYSUPA"), and referred to collectively as the parties.

WHEREAS, the Employer and the Association are parties to a collective bargaining agreement which had an expiration date of December 31, 2012.

WHEREAS, the parties have now reached an agreement as of the date of execution of this Memorandum of Agreement on the terms and conditions for a successor collective bargaining agreement for the period of January 1, 2013 through December 31, 2016, and wish to memorialize their understanding, in writing, pending the signing of a new collective bargaining agreement; and

WHEREAS, upon execution of this Memorandum of Agreement by the representatives of both the Employer and the Association, the parties agree to comply with the following:

1. All parties who sign this Memorandum of Agreement shall support and endorse it for ratification by their respective bodies. This Memorandum of Agreement is subject to ratification by the Association and Fulton County Board of Supervisors as set forth herein.
2. All terms and conditions of the collective bargaining agreement, which had an expiration date of December 31, 2012, shall remain in full force and effect except as agreed to be modified herein.
3. The Association shall hold its ratification vote first.
4. Upon a majority vote of the members in attendance at the required ratification vote by the Association of this Memorandum of Agreement, the Employer's Labor Counsel shall be notified in writing by NYSUPA of its successful passage or failure.
5. In the event that the majority of members in attendance at the Association ratification vote to support this Memorandum of Agreement, the Employer shall then place this matter on the Fulton County Board of Supervisors agenda for ratification and approval at its next regularly scheduled meeting, barring any unforeseen time constraints or prohibitions, at which a ratification and approval vote of this Memorandum of Agreement shall be conducted.
6. After successful ratification by the Association and Fulton County Board of Supervisors, all new terms and conditions shall be implemented as soon as practical, after the successful ratification and approval vote of the Fulton County Board of Supervisors of the Memorandum of Agreement.

7. Labor Counsel for the Employer shall prepare a draft “red lined” collective bargaining agreement in a word document by e-mail to the Association’s representative for review, consideration and its response that it reflects the expired agreement and this Memorandum of Agreement no later than 75 calendar days after the successful ratification vote by the Fulton County Board of Supervisors of this Memorandum of Agreement. After mutual agreement by the parties to the “Draft Red-lined” collective bargaining agreement, a Final successor Agreement shall be forwarded thereafter to be executed by the parties.
8. The Employer agrees that any and all retroactive money due and owing, if any, shall be paid no later than forty-five (45) work days (defined as “Monday through Friday”) after the ratification vote date of the Fulton County Board of Supervisors. The Employer shall provide a summary worksheet year by year to any unit member receiving retroactive money setting forth how the calculation(s) was made and what it represents.

Employees on the payroll on the date of ratification by the Fulton County Board of Supervisors, or employees who have retired with a pension during the term of the agreement and the date of ratification by the Fulton County Board of Supervisors [that is 12/31/12 through ratification date herein] shall be entitled to receive retroactive pay, so long as said payment is not less than twenty-five dollars (\$25.00).

9. The parties agree that upon approval of the Fulton County Board of Supervisors after ratification by the Association, this Memorandum of Agreement shall have the full force and effect of the collective bargaining agreement between the parties.
10. The above numbers 1-9 will not become a part of the successor Collective Bargaining Agreement; agreeing to the above numbers 1-9 will have no binding affect or set any precedent with respect to future agreements by and between the parties hereto.

NOW, THEREFORE, in consideration of the promises and mutual covenants contained herein, upon ratification by the Association and ratification and approval by the Fulton County Board of Supervisors, the parties agree that a successor collective bargaining agreement to the one that had an expiration date of December 31, 2012, shall reflect the following terms as attached to this Memorandum of Agreement.
