

FOURTH REGULAR SESSION

Johnstown, NY

April 13, 2015

Roll Call- Quorum Present

Supervisors: Argotsinger, Bradt, Breh, Christopher, Fagan, Gendron, Greene, Groff, Handy, Johnson, Kinowski, Lauria, MacVean, Ottuso, Potter, Waldron, Young

TOTAL: Present 17 Absent: 3 (Supervisors Born, Callery, and Howard)

Chairman Ottuso called the meeting to order at 1:00 p.m. with Supervisors Born, Callery and Howard absent upon roll call. Following the Pledge of Allegiance to the Flag, Chairman Ottuso recognized the following public speakers:

Ron McLain, 281 County Highway 111, Caroga Lake: Mr. McLain stated that he has an issue with proposed Resolution No. 10 (Resolution Authorizing the Fulton County Demolition Team to Demolish a Building Owned by the Caroga Lake Volunteer Fire Department). He stated that the Town of Caroga does not own this property and questioned how the County Demolition Team can demolish the building on this property. He stated that last year the Board had issues with a parcel that the City of Gloversville didn't own that it wanted demolished. He stated that the Demolition Team was established to assist in demolishing municipal-owned property. He stated that it is time to take care of what is important to the town, not just a few people with their own agendas.

John Kane, West Bush Road, Gloversville: Mr. Kane stated that he is a member of Solidarity for a Better County Government. Mr. Kane referenced a section of State Law relating to the County Board of Supervisors appointing standing committees. Under this law it states that the Chairman of the Board shall appoint members to the Standing Committees. He questioned when the Board of Supervisors, under this law, approved to have a standing committee this year. "Did the Chairman of the Board appoint the members to these committees?"

CHAIRMAN'S REPORT

Chairman Ottuso stated that the year is moving along, going fast and a lot has been going on. He stated that he has attended several committee meetings and stated that these meetings will keep him informed. He stated that he enjoys the fact that everyone puts in their comments and works for the greater good to make things happen. He stated that he appreciates everything that everyone does for the County.

RESOLUTIONS

No. 117 (Resolution Authorizing the Fulton County Demolition Team to Demolish a Building Owned by the Caroga Lake Volunteer Fire Department): Supervisor Johnson asked about the property being privately owned as stated earlier by a public speaker. Mr. Stead stated that he believed that the fire department owns the property, therefore it is municipally-owned.

Supervisor Greene also questioned whether a private fire department is different than a municipal fire department. Supervisor Johnson stated because the fire department is funded by the Town, it is considered municipally-owned property.

No. 119 (Resolution Requesting the Governor and State Legislature to Amend the Vehicle and Traffic Law to allow All Terrain Vehicles up to 1,500 pounds to be registered): Supervisor Johnson questioned what vehicles this involves. Mr. Stead stated that UTV's relate to the side-by-side vehicles. Supervisor Johnson stated that right now these vehicles use slow moving vehicle signs on them and drive them all over with no issues.

Chairman Ottuso opened the Public Hearing to receive comments regarding Local Law "1" of 2015, entitled, "A Local Law to allow certain "SPARKLING DEVICES" to be excluded from the Dangerous Fireworks Definition as Permitted by New York Penal Law Section 405(b)" at 1:29 p.m.

Vincent Zabo, 124 Germanhill Road, Freehold, NY: Mr. Zabo thanked the Board for their time in considering this local law. On behalf of Phantom Fireworks, he supports this law that allows the County to regulate and monitor the sale of consumer fireworks in the open. This law allows residents to purchase these products locally. It also supports the regulated market place that New York has established. He also stated that Code Enforcement officials have the right to monitor the storage and sale of these goods. He also noted that sparklers sold in New York State are the wooden stick type, not metal. The wooden stick sparklers simply ash off as they burn and do not leave a hot metal core which can cause injury. He also stated that his company conducts training programs for retailers. He stated that his company also provides extensive safety information on their website, as well as free download videos. He thanked the Board for its time.

Chairman Ottuso asked if there were any additional speakers regarding proposed Local Law "1". There being no public speakers who wished to address the Board, Chairman Ottuso announced that he would keep the public hearing open for a portion of the Board Meeting.

Chairman Ottuso again asked if there were any members of the public who wished to make comments regarding the Public Hearing to receive comments on proposed Local Law "1" of 2015, entitled, "A Local Law to allow certain "SPARKLING DEVICES" to be excluded from the Dangerous Fireworks Definition as Permitted by New York Penal Law Section 405(b)" at There being no interested speakers, Chairman Ottuso closed the Public Hearing at 1:39 p.m. moved forward with Updates from Standing Committees.

No. 134 (Resolution Adopting Proposed Local Law "1" of 2015, entitled "A Local Law to Allow Certain "SPARKLING DEVICES" to be Excluded From the Dangerous Fireworks Definition as Permitted by New York Penal Law Section 405(b): Supervisor Gendron stated that during the Public Safety Committee meeting, Civil Defense Director Steven Santa Maria gave some very good information about his opposition to this local law. As a result of Mr. Santa Maria's input, Supervisor Gendron stated that he is going to defer his vote to the department head and his opinion.

Supervisor Groff stated he doesn't see the high level of concern over these types of fireworks. He stated that anyone who is out and about on the Fourth of July sees the types of fireworks being used that are much more dangerous than what is being proposed.

Supervisor Young stated he has some concerns about the health and fire safety of these items; however, since they are already available in surrounding counties, he believes having this law in place is better for the area.

Supervisor Ottuso stated that he is in favor of this and it should create some additional tax revenue for the county.

A motion was offered by Supervisor Fagan, seconded by Supervisor Gendron and unanimously carried to waive the Rules of Order to take action on Late Resolution 155.

Chairman Ottuso then called for a ten minute recess at 1:45 p.m.

Upon a motion by Supervisor Fagan, seconded by Supervisor Groff and unanimously carried, the Board entered into Executive Session at 1:55 p.m. to discuss collective bargaining.

Upon a motion by Fagan, Greene and unanimously carried at 2:05 p.m. the Board re-entered into Regular Session.

Resolution No. 119

Supervisor POTTER offered the following Resolution and moved its adoption:

RESOLUTION REQUESTING THE GOVERNOR AND STATE LEGISLATURE TO
AMEND THE VEHICLE AND TRAFFIC LAW TO ALLOW ALL TERRAIN VEHICLES UP
TO 1,500 POUNDS TO BE REGISTERED

WHEREAS, an all terrain side-by-side seating vehicle has been developed by All Terrain Vehicle (ATV) manufactures, referred to as a Utility Task Vehicle (UTV); and

WHEREAS, this vehicle is better suited for the elderly, handicapped and less active riders because it allows two people to ride side-by-side; and

WHEREAS, the current Vehicle and Traffic Law allows only ATV's weighing up to 1,000 pounds to be registered, but will not allow UTV's to be registered because they weigh more than 1,000 pounds; and

WHEREAS, Adirondack Local Government Review Board and the Inter-County Legislative Committee of the Adirondacks believe that the ATV weight limit for registration should be raised to 1,500 pounds to accommodate the registration of UTV's; and

WHEREAS, the ability to register ATV/UTV weighing up to 1,500 pounds and ride them on multiuse trail systems will provide significant economic benefits to local businesses, towns, counties and New York State; now, therefore be it

RESOLVED, That Fulton County Board of Supervisors hereby supports state legislation (S.1792A/A.01951) to raise the defined weight of an all terrain vehicle (ATV) to 1,500 pounds of dry weight; and, be it further

RESOLVED, That certified copies of this Resolution be forwarded to the County Treasurer, Governor Andrew Cuomo, Senator Dean Skelos, Senator Elizabeth Little, Senator Hugh Farley, Assemblyman Marc Butler, Assembly Speaker Carl Heastie, DEC Region 5 Director Bob Stegemann, NYSDEC Commissioner Joseph Martens, the Twelve Counties of the Adirondacks, Adirondack Park Agency, Adirondack Association of Towns and Villages, and Administrative Officer/Clerk of the Board.

Resolution No. 120

Supervisor POTTER offered the following Resolution and moved its adoption:

RESOLUTION REQUESTING THE GOVERNOR AND STATE LEGISLATURE TO
AMEND THE VEHICLE AND TRAFFIC LAW REGARDING DESIGNATION OF
HIGHWAYS AND TRAVEL BY ALL TERRAIN VEHICLES

WHEREAS, All Terrain Vehicle (ATV) riding is a popular activity in New York State; and

WHEREAS, many towns and counties in the Adirondacks and across New York State have developed, or are developing multiuse trail systems open to ATV's; and

WHEREAS, these trail systems are important to rural economies that are dependent on tourism and increase revenue streams for local, county and state government; and

WHEREAS, an "otherwise impossible" restriction in current Vehicle and Traffic Law Section 2405, does not allow towns and counties the flexibility to open roads to adjoining trail systems and lands for completion of trail systems; and

WHEREAS, the Adirondack Park Local Government Review Board has asked the Fulton County Board of Supervisors to support state legislation to amend NYS Vehicle and Traffic Law to allow localities the ability to connect trail systems and facilitate travel by All Terrain Vehicles; now, therefore be it

RESOLVED, That the Fulton County Board of Supervisors hereby urges the Governor and the State Legislature to amend the Vehicle and Traffic Law to provide local governments with increased authority to designate roads open for ATV and UTV use as they deem necessary by deleting the "otherwise impossible" restriction; and, be it further

RESOLVED, That certified copies of this Resolution be forwarded to the County Treasurer, Governor Cuomo, Senator Dean Skelos, Senator Elizabeth Little, Senator Hugh Farley, Assemblyman Marc Butler, DEC Commissioner Joseph Martens, Assembly Speaker Carl Heastie, DEC Region 5 Director Bob Stegemann, the Twelve Counties of the Adirondacks, Adirondack Park Agency, Adirondack Association of Towns and Villages, and Administrative Officer/Clerk of the Board.

**COUNTY OF FULTON
LOCAL LAW “1” OF 2015 ENTITLED,
“A LOCAL LAW TO ALLOW CERTAIN “SPARKLING DEVICES” TO BE
EXCLUDED FROM THE DANGEROUS FIREWORKS DEFINITION AS PERMITTED
BY NEW YORK PENAL LAW SECTION 405(b)”**

BE ENACTED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF FULTON, AS FOLLOWS:

SECTION 1. INTENT:

The purpose of this Local Law is to allow certain “Sparkling Devices” to be excluded from the dangerous fireworks definition as permitted by New York State Penal Law Section 405(b) in Fulton County.

SECTION 2. DECLARATION OF POLICY:

- A. On November 21, 2014, Governor Cuomo signed into law Chapter 477 of the Laws of 2014 (S.7888/A.10141) that amended the State Penal Law, the Executive Law and the General Business Law placing further restrictions on dangerous fireworks while at the same time recognizing that certain fireworks should not be labeled dangerous when they pose little to no danger to the public. Said state legislation only allows for certain “sparkling devices” to be sold and used in municipalities that affirmatively enact a local law authorizing such.

SECTION 3. DEFINITIONS:

”Sparkling Devices” are defined as follows:

“Sparkling Devices” which are ground-based or hand-held devices that produce a shower of white, gold or colored sparks as their primary pyrotechnic effect. Additional effects may include a colored flame, an audible crackling effect, an audible whistle effect, and smoke. These devices do not rise into the air, do not fire inserts or projectiles into the air, and do not explode or produce a report (an audible crackling-type effect is not considered to be a report). Ground-based or hand-held devices that produce a cloud of smoke as their sole pyrotechnic effect are also included in this category. Types of devices in this category include:

- (1) Cylindrical foundation: cylindrical tube containing not more than seventy-five grams of pyrotechnic composition that may be contained in a different shaped exterior such as a square, rectangle, cylinder or other shape but the interior tubes are cylindrical in shape. Upon ignition, a shower of colored sparks, and sometimes a whistling effect or smoke, is produced. This device may be provided with a spike for insertion into the ground (spike fountain), a wood or plastic base for placing on the ground (base fountain), or a wood or cardboard handle to be hand held (handle fountain). When more than one tube is mounted on a common base, total pyrotechnic composition may not exceed two hundred grams, and when tubes are securely attached to a base and the tubes are separated from each other on the base by a distance of at least half an inch (12.7 millimeters), a maximum total weight of five hundred grams of pyrotechnic composition shall be allowed.
- (2) Cone foundation: cardboard or heavy paper cone containing not more than fifty grams of pyrotechnic composition. The effect is the same as that of a cylindrical fountain. When more than one cone is mounted on a common base, total pyrotechnic composition may not exceed two hundred grams, as is outlined in this subparagraph.
- (3) Wooden sparkler/dipped stick: these devices consist of a wood dowel that has been coated with pyrotechnic composition. Upon ignition of the tip of the device, a shower of sparks is produced. Sparklers may contain up to one hundred grams of pyrotechnic composition per item.
- (4) Novelties which do not require approval from the United States Department of Transportation and are not regulated as explosives, provided that they are manufactured and packaged as described below:

- a) Party popper: small devices with paper or plastic exteriors that are actuated by means of friction (a string or trigger is typically pulled to actuate the device). They frequently resemble champagne bottles or toy pistols in shape. Upon activation, the device expels flame-resistant paper streamers, confetti, or other novelties and produces a small report. Devices may contain not more than sixteen milligrams (0.25 grains) of explosive composition, which is limited to potassium chlorate and red phosphorus. These devices must be packaged in an inner packaging which contains a maximum of seventy-two devices.

- b) Snapper: small, paper-wrapped devices containing not more than one milligram of silver fulminate coated on small bits of sand or gravel. When dropped, the device explodes, producing a small report. Snappers must be in inner packages not to exceed fifty devices each, and the inner packages must contain sawdust or a similar, impact-absorbing material

SECTION 4. SPARKLING DEVICES PERMITTED:

In accordance with Chapter 477 of the Laws of 2014, and Penal Code Section 405, the Board of Supervisors hereby authorizes that “sparkling devices” may be sold and enjoyed in the manner described below, within Fulton County:

1. Sales will only be permitted on or between June 1 through July 5 and December 26 through January 2 of each calendar year.
2. All distributors, manufacturers and retailers must be licensed through the New York State Department of State.
3. Only those persons over the age of 18 may purchase said products.

SECTION 5. SEPARABILITY:

If any part of or provisions of this law, or the application thereof to any person or circumstance, shall be adjudged invalid by any court of competent jurisdiction, such judgment shall be confined in its operation to the part of or provision of, or application directly involved in the controversy in which such the remainder of this law, or the application thereof to other persons or circumstances.

SECTION 6. EFFECTIVE DATE:

This law shall take effect June 1, 2015.
