## FULTON COUNTY SMALL BUSINESS RECYCLING PERMIT APPLICATION FULTON COUNTY NON-PROFIT RECYCLING APPLICATION

The Fulton County Board of Supervisors passed Resolution #286 in 2007 to offer commercial recycling to small businesses in Fulton County, which allows them to bring their recyclables directly to this department. As of Jan. 1, 2020 there is a \$40/ton charge for commercial recycling – including large permitted haulers, as well as small businesses.

The Fulton County Department of Solid Waste has established a permit system for small business recycling customers to use the Recycling Facility at the Fulton County Department of Solid Waste. There is an annual \$25 permitting fee, then recycling is charged \$40/ton by weight.

The commercial (small business) recycling permit will be valid until Dec. 31 of each year. Renewal applications should be filed thirty (30) days prior to the expiration date (including Non-Profits). Unlike a permitted commercial hauler, no special insurance is required, and the permit is issued to the business, so it can be used with any vehicle (although we ask for information on one vehicle when setting up the account).

Make checks payable to the Fulton County Treasurer. You can set up your account in the DSW office at 847 Mud Road, Johnstown - or mail the completed forms and check to the Fulton County Department of Solid Waste, P.O. Box 28, Johnstown, NY, 12095.

Please note that the Recycling Preparation Guidelines must be followed, per the attached sheet. This program is for recycling drop-off only (no garbage) at the Recycling Facility of the Solid Waste Department; Tuesday through Friday 7:15 a.m.-3 p.m.

Solid Waste Management Law provides Fulton County with a mechanism to revoke privileges of users violating this law.

**NON-PROFIT RECYCLING:** The non-profit category follows the same application process and preparation and drop-off rules, except the \$25 permitting fee is waived. Please bring proof of non-profit status.

If you have any questions, please feel free to contact the Department of Solid Waste, Recycling Info-Line, at 518-736-5504.

## Small Business & Non-Profit Recycling

### GENERAL INFORMATION

- The Recycling Facility (847 Mud Road, Johnstown) is open Tuesday through Friday from 7:15 a.m. until 3:00 p.m., except holidays.
- All loads of recyclable material delivered to the Recycling Facility must be covered when transported.
- All users must weigh in at the Scale House upon entering the facility, (showing your permit) and proceed to the Recycling Facility to drop off materials. Once empty, return to the Scale House to weigh out and pay the tipping fee. Small Business Recycling and Non-Profit Recycling users will be set up as cash customers when obtaining a permit.

- **How to prepare recycling for disposal at the Fulton County Recycling Facility:**

Fulton County now uses **Singlestream Recycling** – ALL MATERIALS ARE MIXED LOOSE INTO ONE CONTAINER. (No need to sort or separate different material).

**Corrugated Cardboard** (heavy-duty packing boxes) must be flattened; remove any plastic or Styrofoam packing materials.

**Containers** (glass bottles and jars; plastic bottles and tubs; tin and aluminum cans) should be rinsed clean to remove food or product residue.

**Paper** (newspaper, envelopes, junk mail, magazines, phone books, one-layer chipboard, clean pizza boxes, milk and juice cartons)

There should be no plastic bags at all. The only exception to the “no bag” rule is shredded paper, which should be tied up into a plastic bag, and put in with the rest of the loose recyclables.

*Recycling brochures and literature are available upon request – and DSW staff are available for on-site visits & advice to help set up a recycling program at your business or facility.*
