They would like to see the Board consider this Sales Tax and Mortgage Tax extensions today, instead of waiting for the next Board Meeting. Waiting could lead to difficulty when trying to meet the Assembly deadline for approval.

RESOLUTIONS

No. 158 (Resolution Allocating Federal TEA-21 Grant Funding to the City of Gloversville to Construct Trail Upgrades Along the FJ&G Trail) – Supervisor Young expressed that this trail is a real asset to the community and completion of this rehabilitation project will benefit the County as a whole. Supervisor Callery expressed his concerns with the price of the "garbage cans", but explained that he does not want to hold up the passing of this resolution for that particular reason.

No. 163 (Resolution Authorizing the Purchase of Two (2) New Compactor Recycling Trucks for Use in the Solid Waste Department (2017 Capital Plan) - Supervisor Born advised that Recycling started 1 March 2017 and believes that it is going very well. She stated that these two trucks will make it even better and it will lead to time being saved in the future and will be more efficient.

No. 165 (Resolution Authorizing the Fulton County Demolition Team to Demolish a Building (14 Temple Street) Owned by the City of Gloversville) - Supervisor Lauria expressed that it will be nice to see this building down because it is an eyesore.

No. 166 (Resolution Authorizing a Contract with Shannon-Rose Design for Development and Management of an E-Newsletter Marketing Campaign to Promote Fulton County) - Supervisor Young stated that he is in favor of marketing, but he believes that the cost seems excessive. Supervisor Howard asked what the term of the development and management for the e-newsletter campaign was. Mr. Stead advised that it is for six (6) months. Supervisor Lauria agreed with Supervisor Young, but stated that he will support the contract because he thinks the County needs as much marketing as it can get.

No. 176 (Resolution Supporting S.879.C and A.6140 to Repeal Provisions of the "SAFE Act" for Upstate New York) - Supervisor Rice stated that she heard that there was a memo out explaining this Bill, but she never received it. Mr. Stead explained that there are provisions amending certain sections of the SAFE Act, but not the entire SAFE Act. Supervisor Rice asked what each of the provision were. At her request, Mr. Stead read the provisions of the proposed SAFE Act amendments to the Board. Supervisor Born expressed her concerns about big cities like the Bronx and Queens, because the provisions aren't making things easier for cities like those. Supervisor Greene asked why the State legislation didn't exclude Staten Island too. Mr. Stead explained it is a part of Richmond City. Mr. Stead stated that a sportsman's group from Suffolk County and Nassau County asked to be included in the exclusion.

In reply to a question, Mr. Stead advised that Assemblyman Butler has commented that some areas of New York State have different requirements than other sections of the state such as for the Minimum Wage. The logic is that firearm regulations in rural upstate areas don't need to be the same as the Five Burroughs.

Chairman Kinowski opened the Public Hearing to receive comments regarding proposed Local Law "C" of 2017 to "Authorize a Land Lease Agreement Between H-F-M BOCES and Fulton & Montgomery Counties to Facilitate a Solar Photovoltaic System Power Purchase Agreement Project" on college property at 1:41 p.m.

No. 183 (Resolution Authorizing the Disposal of Certain Nursing home Records that are Beyond their Statutory Retention Date) - Supervisor Lauria asked if there are any documents in this list that we shouldn't be getting rid of. He said that he doesn't want to throw out documents that may be needed in the future. Chairman Kinowski explained that, to his knowledge, these documents are past the legal limit that the State requires the County to keep them.

Mr. Brott, County Attorney, asked for the opportunity to go to the Fort Johnstown Building records room to see exactly what documents the County Clerk is proposing to throw away.

Supervisor Lauria made a motion to Table the Resolution until after the County Attorney reviews the records, seconded by Supervisor Callery and unanimously carried.

Chairman Kinowski again asked if there were any members of the public who wished to make comments regarding proposed Local Law "C" of 2017, entitled, "Authorize a Land Lease Agreement Between H-F-M BOCES and Fulton & Montgomery Counties to Facilitate a Solar Photovoltaic System Power Purchase Agreement Project". There being no interested speakers, Chairman Kinowski closed the Public Hearing at 1:51 p.m. and moved forward with consideration of Resolutions.

A motion was offered by Supervisor Fagan, seconded by Supervisor Callery and unanimously carried, to waive the Rules of Order to take Action on Late Resolutions 198-201.
