

The reduction in the county tipping fee for these two categories is intended to encourage re-use.

The Dept. of Solid Waste offers a variety of services, including:

- ♦ Landfill with decades of site life remaining;
- ♦ Curbside Recycling for 85% of residents and drop off recycling for the remaining 15%;
- ♦ Business Recycling Program (\$40 per ton, drop-off at the (FCDSW);
- ♦ Household Hazardous Waste Day;
- ♦ Collection and recycling of vehicle batteries, waste motor oil, tires, bulk metal and textiles;
- ♦ Electronics & TV, fluorescent bulb, re-chargeable battery and mercury-containing thermostat drop-off;
- ♦ Eight Transfer Stations;
- ♦ County Demolition Team;
- ♦ Municipal Clean-Up Programs.

CLEAN WOOD CLEAN FILL DISPOSAL PROGRAM

**Fulton County
Dept. of Solid Waste**
Johnstown, NY

**Recycling Info Line:
518-736-5504**

CLEAN FILL

Clean Fill Consists of:

- ♦ Bricks
- ♦ Rocks
- ♦ Concrete (*no metal*)
- ♦ Asphalt pavement

Remember these items can not be mixed with clean wood.

RATES

In-County NO COST
Out-of-County \$25/ton

CLEAN WOOD

- ♦ Pallets
- ♦ Trees & Limbs
- ♦ (*min. 2" diameter. No stumps*)
- ♦ Lumber - No paint
- ♦ (*max length 8 ft.*)

***NOT ACCEPTED AS CLEAN WOOD:**

*Wood treated with paint, adhesive, lacquer or other chemicals.
No Plywood. No Stumps, No Brush.*

RATES

In-County NO COST
Out-of-County \$25/ton

These special non-residential disposal categories for construction and demolition debris, as well as clean wood products, were established by the Fulton County Dept. of Solid Waste in 2010. It provides an alternate disposal rather than the landfill.

CATEGORIES CANNOT BE MIXED

Clean Fill will be crushed and used as road base.

Clean Wood Products will be processed and ground in the department's tub grinder. The finished material will be used as mulch.

POLICIES

Haulers must be permitted by the Fulton County Department of Solid Waste. Call 518-736-5501 for an application packet.

All loads require pre-approval, and also a completed waste profile sheet.
