

Community Guide for Fulton, Hamilton, and Montgomery Counties

Public Health
Prevent. Promote. Protect.

Fulton County Public Health

CHILDREN AND YOUTH WITH SPECIAL HEALTH CARE NEEDS:

This program is for families of children and youth ages birth to 21 who have or may have a serious health condition. The program gives information and referral services for families of children who need health or related services beyond those normally needed by children.

Conditions may be:

- Physical
- Behavioral
- Emotional

The Children and Youth with Special Health Care Needs Program (CYSHCN) is a statewide public health program. The New York State Department of Health (NYS DOH) is dedicated to achieving a statewide system of care for children with special health care needs and their families. NYS CYSHCN goals are to:

- Link families to correct health and related services
- Identify gaps and barriers
- Assist in family resolutions
- Assure access to quality health care

Eligibility for the Children and Youth with Special Health Care Needs Program:

The county health department determines eligibility. For information on the Children and Youth with Special Health Care Needs program you can call your local health department:

Fulton County Public Health Department
