

COUNTY TREASURER, HEATHER A. SCRIBNER

FULTON COUNTY, NEW YORK

Certificate of Residency

***Refer to Education Law, Section 6301 paragraph 4, and Section 6305.**

Requirements

In order to have Fulton County participate in the cost of his or her community college education, a student must obtain a Certificate of Residency and submit it to the college. Military personnel on active duty, as well as their spouses and dependents, are entitled to the lower "Resident" rate.

A student must apply for a certificate **no sooner than 60 days prior to the start of classes and no later than 30 days after the college's first day of classes**. Certificates remain valid for one year of semesters, provided the student attends during the semester the certificate is issued. A student that does not register for the semester the certificate was issued, must apply for and receive a new certificate.

Students can obtain a certificate in person at the County Treasurer's Office. Students, who are U.S. citizens residing at their current address for at least twelve consecutive months, without moving, may obtain a certificate from their town or city clerk prior to the cut-off date. Cut-off dates are dictated by the start of classes at each college and will vary. Town and city clerks are only authorized to issue certificates until the start of the college semester. Students applying for a certificate after the beginning of the college semester must apply at County Treasurer's office. An application will be accepted from an individual other than the student only if the student's signature on the affidavit has been notarized and sufficient proof is submitted.

Eligibility

- ❖ A student must be a continuous resident of New York State for one year immediately preceding the date of application **AND**
- ❖ A student must have been a resident of Fulton County for at least one month within the six months immediately preceding the date of application. A student that has not been a resident of Fulton County for that entire six-month period must obtain a certificate from each county of residence within the six-month period. He/she must apply at the County Treasurer's Office.
- ❖ Non-citizens are required to document their resident status and must apply at the County Treasurer's Office for their first certificate. Non-citizens renewing a certificate of residency that have resided at their current residence for twelve consecutive months, without moving may obtain their certificate from their town or city clerk providing the proof used for residence status has not expired.

Elements of Acceptable Proof

- ❖ At a minimum, two proofs are required: **One must be 12-18 months old and one less than 30 days old.**
- ❖ Each document must be dated and include name and physical street address. Documents with a post office box will not suffice unless a physical address is also indicated.
- ❖ Each residence on the application must be documented. **Proof will be required within 30 days of the date of any move in the past year.**
- ❖ No claim of residency will be accepted solely on your testimony or that of your parents, relatives, friends or other individuals.
- ❖ The standard of proof will not be compromised because you have left yourself insufficient time to obtain acceptable proof.
