UPDATES FROM STANDING COMMITTEES

(No updates)
REPORTS OF SPECIAL COMMITTEES

**Adirondack Government:** Supervisor Selmser advised that he attended a meeting on February 27 in Minerva, NY. The meeting centered around APA discussions. He explained that New York State is pushing for electric vehicle charging stations at all state campsites. Other topics discussed were cell towers and continued issues with snowmobile trails. There was also a discussion on invasive species and he found out that the state has millions of dollars budgeted to combat this. He further advised that the Town of Caroga has submitted a grant to the state for funding for this issue.

**Soil and Water Conservation District Board:** Supervisor Greene advised that the District Board met on February 12. He further advised that their 2018 Annual Report has been submitted and everyone should have received a copy in their mailbox. Also, that Soil and Water has met all their performance measures per the state and will be receiving funding in an amount over $88,000.00.

**CHAIRMAN’S REPORT**

Chairman Wilson advised that he has been in constant contact with Emergency Management Director Steven Santa Maria regarding the ambulance issues in Fulton County, but there is no new information to report.

**RESOLUTIONS**

**No. 86 (Resolution Supporting Passage of the U.S.-Mexico-Canada Agreement (USMCA))**: Supervisor Young advised that there has been good progress on this subject; however, he would like to see more generic prescription drugs available from Canada so the big drug companies do not profit.

**No. 95 (Resolution Opposing the Governor’s Proposed Elimination of Medicaid Cross-Over Coverage Payments for Part B Co-Insurance)**: Supervisor Young advised that this subject was discussed during the Human Services Committee Meeting that was held on February 27 before the announcement that JAVAC was going to close. He said this is important because ambulance companies are getting less and less reimbursement.

**No. 101 (Resolution Amending the 2019 Capital Plan to Substitute the Purchase of an All-Wheel Drive SUV Instead of a Sedan for Use in the Sheriff’s Department)**: Supervisor Callery questioned why this was not brought up during the discussion of the 2019 Capital Plan.

Mr. Stead, Administrative Officer, explained that once the Sheriff’s Department Investigators realized that the current SUV (Chevy Tahoe) was being moved for some other use and they would be without a SUV, the Sheriff requested the purchase of an SUV in place of a sedan. The Sheriff also advised that there was savings that could be utilized for this purchase of a SUV with no increase to the department budget.
Upon a motion by Supervisor Potter, seconded by Supervisor Callery and unanimously carried, the Committee entered into Executive Session at 1:19 p.m. to discuss employment history.

Upon a motion by Supervisor Howard, seconded by Supervisor Breh and unanimously carried, the Committee re-entered into Regular Session at 1:33 p.m.

Chairman Wilson opened the Public Hearing to receive comments regarding Local Law “A” of 2019, entitled, “A Local Law Amending Local Law No. 1 of 1987 to Delete Part-Time Designation from the Title of Public Defender” at 1:34 p.m.

Chairman Wilson asked if there was anyone present who wished to comment regarding proposed Local Law “A”. There being no public speakers who wished to address the Board, Chairman Wilson announced that he would keep the public hearing open for a portion of the Board Meeting.

No. 110 (Resolution Opposing the Proposed and Amended 2020 Executive State Budget Impacting Aid and Incentives to Municipalities and State Cost Shifts to Counties): Supervisor Lauria advised that he was “upset” because the Governor imposes a 2 percent tax cap but wants to cripple counties by cutting the Aid and Incentives to Municipalities (AIM) funding.

Supervisor Fagan commented that town and cities cannot keep under that State Tax Cap when the Governor keeps imposing new mandates on the County. Towns have to balance their budgets by cutting spending.

Supervisor Greene asked where was the tax relief that was promised for unfunded mandates when the Governor keeps adding new ones.

Supervisor Young commented that the Governor’s proposal reminds him of people who go into debt by saying they will use their tax refund to pay for something over and over again.

Supervisor Born advised that all New York Counties should unite together against this issue and send a message to the Governor that “we are not happy with him”.

Chairman Wilson again asked if there were any members of the public who wished to make comments regarding Local Law “A” of 2019, entitled, “A Local Law Amending Local Law No. 1 of 1987 to Delete Part-Time Designation from the Title of Public Defender”. There being no speakers, Chairman Wilson closed the Public Hearing at 1:45 p.m. and moved forward with the remainder of the Resolutions.

No. 122 (Resolution Approving Sale of (113 Washing Street and 12 Elk Street, Gloversville) to the City of Gloversville): Supervisor Young advised that there are “exciting plans” for these two properties. He attended a workshop over the weekend regarding the plans for updating the parks.

Supervisor Born advised that these properties are in her ward and it has been a long time coming because so many of the buildings have been allowed to deteriorate and this will be a big improvement for the area.
